Yes, if she has time, may be too late as we have to send to their Hous office.

Donn,

Is there anyway Lorraine can make one additional poster? Sorry for the late notice, but I believe this picture of the work area overview would be beneficial.

Hello, everyone! Attached are draft final posters for your meeting Jan 30. These will be enlarged, mounted and come with "feet" that will allow you to stand them on a table, if needed. Let me know if these look OK and I'll get them into production. Valmichael...I cropped off a bit from your pics to make them enlarge better and accommodate the captions (I pulled these from the email from your vendor). I added the date they were taken to the caption. Let me know if you have any further revisions. Thanks! **I would like to get these into production by COB today, if possible.**
